**a. Well Water Phase 3**

At the RFP opening there were two bids. One came in that was not totalled and came to over \$300,000. The second came in at \$168,215 before taxes and that includes:

- Initial drilling
- 10 Pump Test
- 2<sup>nd</sup> Pump with a 72 hour Pump Test

Brewster Well Drilling had a representative at the opening and he was extremely helpful with questions. Councillor Ramsey found him very knowledgeable.

WSP will be overseeing the project. At a price of \$65,000, WSP will do the assessment and monitor the water levels.

First well will run for 10 days, 24 hours a day continuously. If promising would do a second pump and that would only need to run for 72 hours straight.

Timeline is early November for drilling, if we hesitate we will have to wait until Spring.

On the motion of Deputy Mayor Chapman and Councillor Ramsey:

**I so recommend to approve the Well Water Phase 3 Contract to Brewster Well Drilling in the amount of \$168,215.00**
