

Property Valuation Site Visits

Property Valuation Services Corporation Assessors are especially busy this time of year, conducting property inspections across Nova Scotia. They are reviewing building permit and gathering up-to-date information as part of their annual property assessment process.

For your safety and peace of mind, Assessors are easy to identify with PVSC-marked vehicles, PVSC-issued ID, and high-visibility vests.

You don't need to be home for these visits. The Assessor will leave contact information and next steps if a follow-up is needed.
